Cornerstone Team Spotlight

Ashley Richburg, B.S.
Audiology Intern

Ashley is from Carlsbad, NM and will graduate with her Doctorate in Audiology in May! If you have seen her as a patient in our office you know that she is kind and knowledgeable and eager to help you with whatever you need.

Ashley enjoys reading and baking (we reap the benefits often) and also enjoys

spending time with her husband Tyler and their black lab, Tyson.

Thanks, Ashley for all you do!

Patient of the Month - Johnny Middleton

We would like to recognize our Patient of the Month - Johnny Middleton.

"The hearing aid has helped me sing in the church choir and in a band. I am also able to hear all the prayer requests. The TV went from a number 25 down to 15... works great!"

Ann Goen's Peanut Patties

My Grandmother Ann was a huge inspiration to me in business. She was a very hard worker and had a great sense of humor! She passed away two years ago this month, here is one of her favorite recipes. - Julie Hubik

Ingredients:

2 cups Sugar
1/2 cup water
1/2 tsp salt

1/2 cup light corn syrup
1 & 1/2 cups raw peanuts
2 TBSP butter
1 tsp vanilla
2-3 drops red food coloring

Directions:

Combine sugar, water, salt and corn syrup in a 2 quart measuring cup. Bring to a boil in the microwave oven (about 3 minutes). Stir and add peanuts. Return to microwave oven and cook about 7-9 minutes or until a soft ball stage (234 degrees) is reached. Remove from oven and add butter, vanilla and food coloring. Cool and beat until creamy. Drop by tablespoonfuls onto greased cookie sheet.
