Happy Summer! Can you believe it is already June? I love summertime in Lubbock! Hot summer days and cool summer nights on the patio bring joy to my heart. I have fond memories of summers growing up in Anton, Texas when I was a kid riding my bike all over town, selling lemonade in our front driveway or riding the bus or flat bed trailer to vacation bible school. Those were the days!

With summer upon us, I wanted to take a minute to let you know of some new trends at Cornerstone. As you may have noticed, we are really growing! Most of this growth is due to our patients referring their friends, so thank you for that! What an enormous compliment! At Cornerstone Audiology, when you purchase hearing aids from us, as you know, we want to always make sure that those hearing aids are working well and you have plenty of batteries. These service needs are why we schedule 4 month clean and check appointments. At these appointments, our team works together to clean your hearing aids and supply your batteries. If you could help us to make sure you always have an upcoming 4 month cleaning scheduled, that would be great! If you wear Lyric, we like to schedule those replacements every 8 weeks. If you could help us to make sure you have a replacement scheduled that would be great as well.

If for some reason you need our services in between your 4 month appointments or you miss your cleaning, please give us a call and we will accommodate you as soon as our schedule allows. Walk-ins are becoming more and more challenging for us to accommodate as we grow. If you need urgent assistance, we may ask you to drop off your hearing aid and we will call you when it is ready. Thank you for your understanding in this as we make sure that the patients who have an appointment have our Doctors full attention. We promise to continue to accommodate your needs, but just need a "heads up" to work you into our schedule so that you don't have to wait long.

We appreciate you guys more than you know! Thank you for all of your support. As always, we are open to suggestions if you have any concerns, please email me at [julie@hearlubbock.com](mailto:julie@hearlubbock.com). Enjoy your summer!

Sincerely,

*Julie Hubik*
